

Yellow Castle Set Review

by @DivineCastleKingdom

Set Name: Yellow Castle

Number: 6075 / 375

Pieces: 779

Minifigs: 14

Year: 1978 / 1981

Original Price: \$48

Three Things We Love:

1. Playable: it is hinged so it can open and close, and working drawbridge.
2. Loads of minifigs with 4 different factions/crests.
3. Awesome pictures on the front and back of the box.

Three Things To Critique:

- A. Instructions are challenging for kids.
- B. It is Yellow / Gold, you either like that or you don't.
- C. Reliance on stickers which fade / fall off over time.

Interesting / Rare Facts:

- Yellow bc/ didn't want to look like a military set and Legoland castle was yellow.
- First Castle Set with Minifigs!
Legendary iconic set.
- Horses made of bricks.

Final Tier Ranking:
